

## Content Syndication Instructions for “Did You Know?”

---

Last Updated: February 10, 2011

If you have difficulty understanding or following these directions, please contact the CDC Office for State, Tribal, Local and Territorial Support (OSTLTS) at [OSTLTSFeedback@cdc.gov](mailto:OSTLTSFeedback@cdc.gov).

### Before you begin:

- Obtain access to your web page code.
- Decide which page you want the content to appear on.
- Check to see if you are able and allowed to add JavaScript to your site.

### Step-by-Step Instructions

1. Go to the CDC Content Syndication tool at <http://tools.cdc.gov/register/>.
2. If you don't have an account already, click the **Register** button at the top right of your screen to create an account. We recommend using your work e-mail as your login.
3. Sign in to the tool. The **Sign In** button should be at the top right of your screen.
4. Locate “Did You Know?” in the content syndication tool by going to:  
<http://tools.cdc.gov/register/search.aspx?searchURL=http%3a%2f%2fwww.cdc.gov%2fostlts%2fdidyouknow%2findex.html>
5. Look for a link that says **CDC - Did You Know from the Office for State, Tribal, Local and Territorial Support** and click the **Add to List** link to the right in the same row.

**Note:** You may see multiple links to this page. It does not matter which one you use as long as it has the title CDC – Did You Know from the Office for State, Tribal, Local and Territorial Support.

6. Go to **Your List** which should be at the top right of your screen.
7. On the Your Syndication List page, click the **Get Syndication Code** button.
8. On the Get Syndication Code page, click on the tab that says **Client-side JavaScript**.
9. Under the Client-side JavaScript tab, set the **Select Output Format** as **XHTML**.

10. Copy the code in the box titled **CDC – Did You Know from the Office for State, Tribal, Local and Territorial Support**.

**Note:** You may see multiple boxes with this page title. It does not matter which box you copy the code from as long as it has the title CDC – Did You Know from the Office for State, Tribal, Local and Territorial Support.

11. Open the file where you want "Did You Know?" to appear and **prepare to edit the code**.
12. Paste the code on the web page where you want "Did You Know?" to appear.
13. Save and preview the page to ensure that "Did You Know?" is working correctly.
14. Push your page live.

**You are done!**
